WILD START — The running start from downtown Grayling to the AuSable River starts the AuSable Marathon in an exciting, hectic fashion.

Marathon Called Toughest Canoe Race in the World

They will dash down the darkened streets of Grayling — canoes on their shoulders — careening, bumping. Some will fall before they reach their objective, the first of many obstacles before them for the next 15 hours. It is part of the spine-tingling LeMans-style start to one of the toughest sporting events in the world — The Budweiser AuSable River Canoe Marathon.

The race starts in Grayling Saturday evening, July 27, and concludes in Oscoda just after noon on Sunday, July 28.

The racers' immediate goal is to get their high-tech Kevlar racing canoes cleanly into the AuSable River at Ray's Canoe Livery in Grayling, the starting point of this "granddaddy" of canoe races.

This is just the beginning of a grueling 14½ to 19 hour non-stop race of over 200 miles. The teams challenge the AuSable River's natural obstacles of log jams, rapids, hydroelectric dams and "sweepers" — cedar trees which hang out over the river at chest level and can do great damage to both man and canoe during the night-time portion of the race.

What causes otherwise sane, responsible adults to paddle 8 hours through the darkness and over 14½ hours and 200 miles total while maintaining a pace of 60-90 strokes per minute?

This race has quite a reputation. The decision to enter and compete is not lightly made. Many out-of-state teams, not familiar with the river or the race, have stayed away

because of the stories they hear about how tough an event the AuSable Marathon is.

When asked why more out-of-state teams do not compete against them in the Marathon, some of the Michigan teams who compete in the race year after year offer another opinion — one which, kindly put, relates to their endurance capabilities.

But out-of-state and Canadian paddlers who have come to the Marathon have fared well. Irvin "Buzz" Peterson, of Coon Rapids, Minnesota, won the race on four different occasions. The last victory was with his son Steve, in 1971. "Buzz" is returning to the Marathon this year after a long absence, teaming up with fellow Minnesota native Dave Sipe.

Steve Peterson is also returning, paddling with Tony Short, 21, of Bay City. Tony finished second last year with Brett Stockton of Grayling. Short has steadily improved his finish position in the last five years and Peterson-Short are expected to strongly challenge this year.

Canadians Luc Robillard, Serge Corbin and Claude Corbin, all of Quebec and Ron Williams of British Columbia are also past Marathon Champs. The Corbin brothers won while paddling together in both 1977 and 1979.

Serge Corbin, considered by many to be the best paddler in North America, also suffered one of his rare "defeats" at the Marathon, at the hands of Grayling resident and four-time winner John Baker and St. Clair Shores teammate Ken Brown.

Stocktons Together Again, Favored Team In Canoe Marathon

Butch Stockton and Brett Stockton, 1982 and 1983 winners of the AuSable River Marathon, will be teamed together again this year making them the favorites in the 38th annual race.

Last year Butch and his nephew Brett had different partners and the Stocktons finished first and second. Butch, of Higgins Lake, won his third title in a row while racing with Solomon Carriere, of Cumberland House, Saskatchewan. They smashed the race record by more than eight minutes with a 14 hour, twenty minute, and 40 second mark. Brett, of Grayling, raced with Tony Short, of Bay City, and took second in a time of 14:36:51, the third fastest race ever.

Among the other teams expected to compete strongly are Bob Zaverl, 32, of Mt. Upton, N.Y. and Jeff Shultis, 30, of Oneonta, N.Y. Lynn Witte, 31, of Mt. Clemens, the strongest woman entrant in recent years is teaming up with Tom Cannon, 25, of E. Lansing. They will be attempting to break the mixed-team record of 15:25:34 set in the '84 Marathon when Witte competed with Steve Landick of Lansing. Landick is noted for having completed the 18,000 mile North American "Ultimate Canoe Challenge" with Verlen Krueger.

Paddlers Cari Joy, 51, of Arbondale, Florida, and Dale Newton, 52, of Vassar, are the oldest combined team ever entered in the Amateur Division.

Local racers who were signed up as of Monday, July 22, were Bob Lawe, of Grayling, teamed with Claude Suhl, of High Falls, New York; Dave Sheperd, of Grayling, and Rick Joy, of North Branch; Phil Trudgeon and Tim Krey, both of Grayling, Bill Torongo and Dave Torongo, both of Roscommon. Jeff Kolka, of Grayling, injured his back and will not be racing, and four-time winner John Baker, of Grayling, wasn't entered as of Monday.

The pro teams will be paddling for a total purse of \$12,000 — \$2000 for first place down to \$200 for the 20th place team.

The amateur division teams paddle for trophies awarded at the conclusion of the race, but primarily for the self-satisfaction that comes from having completed one of the toughest sporting events in the world.

Thousands of spectators will line the banks of the AuSable River at the race's start in Grayling. Many follow the race and are joined by others who root for the racers from public landings, bridges, and dams along the course. They converge on Oscoda where the winners will cross the finish line at The AuSable Inn at about 12:30 in the afternoon on Sunday.

The Marathon has been sponsored in recent years by Budweiser, Fabiano

Brothers, Inc. of Grayling and Huron Distributors of Oscoda, distributors of the fine family of Anheuser-Busch products.

The July 27 10:00 p.m. start of the professional race will be preceded by the AuSable Marathon Amateur Division Race at 9 p.m., a C-1 or one man canoe race at 7:15 p.m., a standard (17' fiberglass canoe) race at 7 p.m. and a pleasure (17' aluminum canoe) class race at 6:30 p.m. Pre-race entertainment will begin at Ray's Canoe Livery at 8:00 p.m.

Higgins Lake Bottom Holds Timber Bonanza

One of the biggest timber sales in our area might take place at the bottom of Higgins Lake.

Earl Townsend, an attorney who resides at Higgins Lake, is offering the title to some of the finest pines and hardwoods ever grown here for \$200,000. The logs are located at the bottom of Higgins Lake, which is more than 160 feet deep in places.

"The logs are everywhere on the bottom," said Townsend. "They're criss-crossed and lying on top of each other."

The logs are all sizes cut during the heyday of lumbering in northern Michigan from 1882 to 1910. Wendell Hoover, park interpreter at the Hartwick Pines State Park, said the logs at the bottom of Higgins Lake probably became waterlogged and sank when lumberjacks were rafting logs across Higgins Lake to the Cut River. The logs were taken down the Cut to Houghton Lake and then down the Muskegon River to mills. Hoover said there are probably millions of logs on the bottom of the Muskegon.

Townsend, who has had three offers for the timber rights after placing an ad in the Houghton Lake Resorter newspaper last week, bought the timber rights from the late Forest R. Wyckoff. Townsend said Wyckoff hired an Indiana company in the 60's to recover logs from a small portion of the lake bottom near the east shore. Wyckoff recovered enough logs to cover two acres with cut lumber.

Most of the logs on the bottom are in as good as condition as when they sank, Townsend said. Higgins Lake, which borders Crawford County on the south, covers 10,317 acres.

County Emergency System 1st in State

By Jon Thompson

What may be the state's most comprehensive emergency services data system will be operating soon in Crawford County.

Within five seconds, the new computer system will be able to spit out directions to any residence or business in the county along with other specific helpful information to firefighters, ambulance personnel, and policemen.

The push for this advanced system is being spearheaded by the Beaver Creek Fire Department — a fire department that didn't even exist three and a half years ago.

Beaver Creek Fire Chief Ed Holtcamp said his department originally planned to start an emergency services data system just for Beaver Creek Township. But the type of computer system they needed was large enough to handle the entire county, so they extended an invitation to all emergency services departments in the county to join together.

Now fire departments and ambulance personnel throughout the county are working together to gather information on 8500 county residences and businesses for the system.

One of the most important functions of the computer system will be to give accurate directions quickly.

"The biggest headache for emergency services in this part of the state is just getting there," Holtcamp said. "There was a grass fire in Indian Glens subdivision and we kept driving around in that maze of

roads in there trying to get close to it."

Holtcamp said there are streets in the county with as many as three different names. Some names such as Pine and AuSable are used for roads throughout the county.

"We can't go four directions to find the right address. Without accurate directions, if someone has a heart attack, a fire, or needs a policeman, they could pay the price with poor service or with their life."

With the new system, the dispatcher at the sheriff dept. needs only the name of the resident or business, or the address, or even the telephone number.

"Let's say there's a babysitter who needs an ambulance," said Holtcamp. "She doesn't know the address and doesn't even know how to spell the last name of the people she's working for. All she has to do is read the telephone number on the phone she's using and we have all the information we need to get there fast."

The data supplied by the system for each residence or business includes name, address, telephone number, and which fire department or ambulance corps serves the area. Concise directions are given on the computer screen or print-out for the quickest and safest route for both fire department and ambulance service. (For instance, the Beaver Creek Fire Department, located along old M-76 in Beaver Creek Township, may need different directions to a residence than an ambulance dispatched from Grayling.)

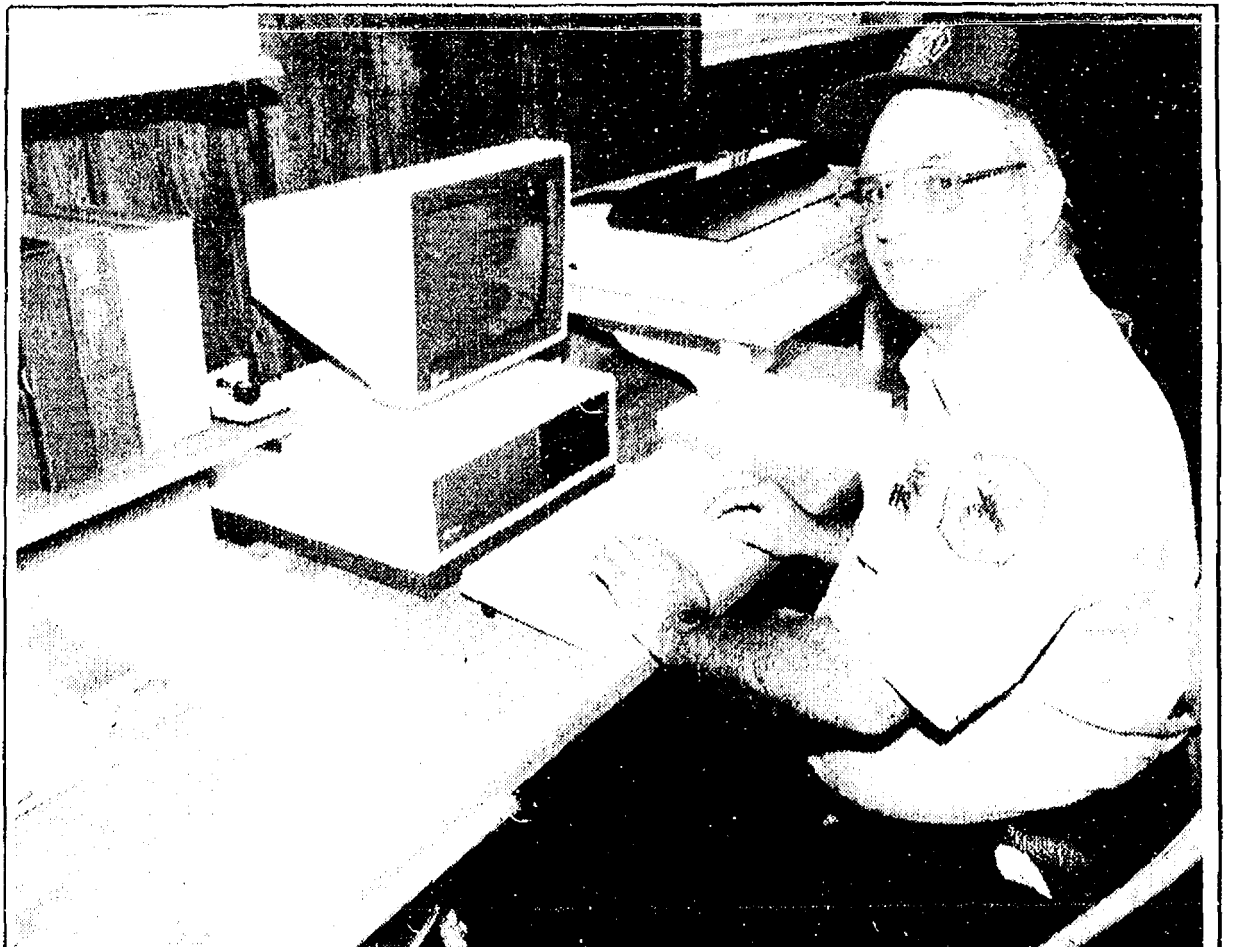

The precise directions even show which

side of the road the structure is located and gives the distance the structure is from the last cross street to help pinpoint location.

The nearest hydrant or water source is

listed and that's an important piece of information in rural areas. The type of construction for the main building and ad-

St. Johns Man Killed In Old 27 Car Crash

Daniel Epperson, 33, of St. Johns, was killed in a two-car accident about 4:40 p.m. Saturday, July 20, near the intersection of Old U.S. 27 and County Road 220 in Beaver Creek Township.

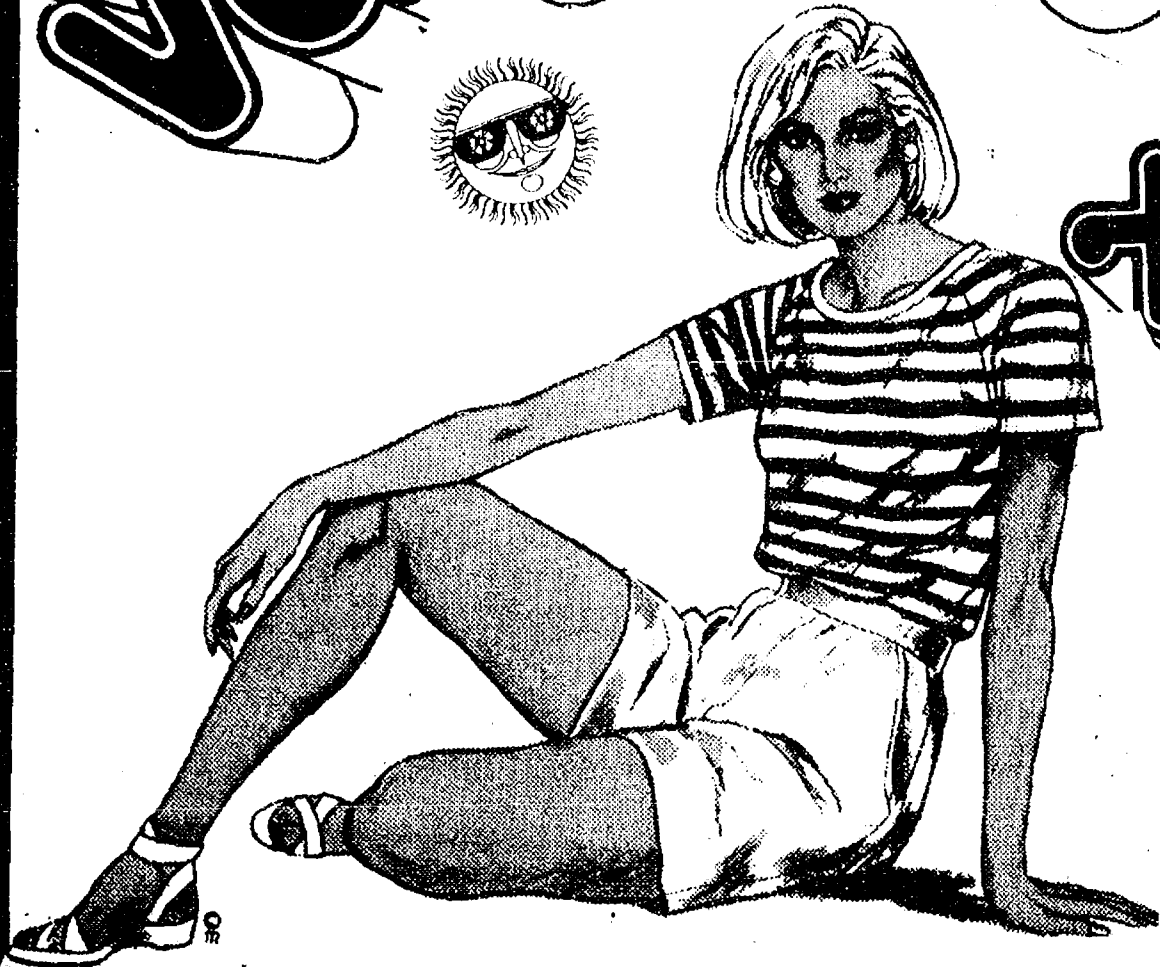

Epperson was a passenger in a car driven by Alva Woodhams, 47, of St. Johns. Woodhams was taken to Mercy Hospital and transferred to Saginaw St. Mary's Hospital.

David Misener, his wife Florence, and two-year-old son Joseph, all from Minnesota, were in the second vehicle and were taken to Mercy Hospital. Crawford County Sheriff deputies said the boy was in an infant seat probably saving him from serious injury.

The accident is under investigation by the sheriff dept. The Roscommon Sheriff Dept., Lyons Twp. Fire Dept. and Ambulance Corps, Gerrish Township Ambulance Corps, and Crawford County Ambulance Corps assisted at the scene.

From Our Corner...

We just returned from Michigan's Fantasy Island...

Thelma and I attended the Michigan Press Association's annual summer convention at the Grand Hotel on Mackinac Island from Friday until Sunday...

The island is a land of fantasy and fudge...

In past years when we have gone to the convention, Thelma always played golf which gave the ol' fella a chance to just wander around and relax...not so this year, our bride decided not to play golf, why, I don't know, except she must have figured to make me suffer this year...

We arrived around noon on Friday, and because the horse drawn taxi was to long to wait to get to the Grand she talked me into walking...now that is a long haul even for the young...

That's not all, Saturday morning after breakfast, she said, I didn't bring my clubs, why don't you and I go shopping down in the village...by her not playing golf I suffered in two ways...she took away my time for girl watching at the pool, and then we walked both ways downtown...by the time I got back to the hotel, my knees felt they were my ankles, and my hips were my knees...

That didn't finish my trip down the long hill...after dinner Saturday evening we were all invited for a boat cruise out to the Big Bridge...one more sweet suggestion from our bride...we should walk down to the boat because it is such a lovely night, and we don't have time to wait for the slow taxi...obediently we tagged along like a puppy dog...

That ended it though, I refused to walk back following the cruise, I would have waited on the curb until morning had there not been a taxi...in fact Sunday, when we were getting ready to get a taxi to come home...that too, was to slow so she said, you watch the luggage, and I'll walk down because there are a couple stores I didn't get into yesterday...which is the same as to say I haven't got my shopping done...I waited for the taxi, and also waited at the dock for another hour before she got her shopping done...

Fantasy Island and the Grand is truly a dream, it takes you back into time...the majestic atmosphere abounds by its hugeness being built in another era...it is all wood, not like our present enormous buildings built with concrete...

The Grand is also quite quaint...our room was not large, we're not in that much...but anyway, when we got into the room there was something wrong, until we figured that the floor listed to the starboard, and you had to have sea legs to get around...at first Thelma thought she had an inner ear infection, because she wasn't walking just right...

The door to the bathroom closed by itself, and the two doors to the closet just across, stayed open by themselves...another experience I encountered was trying to shave with an electric shaver...the plug wouldn't stay in the socket, and I had to hold that in the socket and try the movements of shaving with the right hand...when my right hand went too far, it pulled my left out of the socket...it was different, to say the least...

The serenity of the island, and the treatment you receive at the Grand takes you into another world...yes, there is the hustle, bustle of the tourists during the day which it is meant to be...we speak of the evenings...it is full dress after 6 p.m. at the Grand and the quietness in the evening except for a few horses clopping along at times you feel like you're in another world...

An afterthought...I'm just glad I have but one wife, and only three granddaughters...when she is shopping, it seems like she buys one thing for the girls, and then she has to buy something for herself so she's not left out...

It was fun...we didn't win any prizes for being on time to a Saturday afternoon meeting...and I'm sure I speak for Thelma and myself, we would gladly go back to Fantasy Island next summer, if someone would pick up the tab...

With that we bid our prizes, T.J., Stefany and Amber goodnight...and to all of our readers do have a nice week at Grayling's Milltown Festival...

Peterson building on Cedar Street lately occupied as a saloon by John Larson. The building has been undergoing a lot of remodeling and repairing and some of the machinery has been purchased. Mr. Cook is experienced in this line of work and says that Grayling will have a first class laundry.

The Bible Speaks

From Calvary Baptist Church

President Lincoln's Proclamation of a National Fast Day

"Whereas, the Senate of the United States, devoutly recognizing the supreme authority and just government of Almighty God in all the affairs of men and of nations, has by a resolution requested the President to designate and set apart a day for national prayer and humiliation:

"And whereas, it is the duty of nations as well as of men to own their dependence upon the overruling power of God; to confess their sins and transgressions in humble sorrow, yet with assured hope that genuine repentance will lead to mercy and pardon; and to recognize the sublime truth, announced in the Holy Scriptures and proven by all history, that those nations only are blessed whose God is the Lord:

"And insomuch as we know that by his divine law nations, like individuals, are subjected to punishments and chastisements in this world, may we not justly fear that the awful calamity of civil war which now desolates the land may be but a punishment inflicted upon us for our presumptuous sins, to the needful end of our national reformation as a whole people? We have been the recipients of the choicest bounties of Heaven. We have been preserved, these many years, in peace and prosperity. We have grown in numbers, wealth, and power as no other nation has ever grown; but we have forgotten God. We have forgotten the gracious hand which preserved us in peace, and multiplied and enriched and strengthened us; and we have vainly imagined, in the deceitfulness of our hearts, that all these blessings were produced by some superior wisdom and virtue of our own. Intoxicated with unbroken success, we have become too self-sufficient to feel the necessity of redeem-

ing and preserving grace, too proud to pray to the God that made us:

Now, therefore, in compliance with the request, and fully concurring in the views, of the Senate, I do by this my proclamation designate and set apart Thursday the 30th day of April, 1863, as a day of national humiliation, fasting, and prayer. And I do hereby request all the people to abstain on that day from their ordinary secular pursuits, and to unite at their several places of public worship and their respective homes in keeping the day holy to the Lord, and devoted to the humble discharge of the religious duties proper to that solemn occasion. All this being done in sincerity and truth, let us then rest humbly in the hope authorized by the divine teachings, that the united cry of the nation will be heard on high, and answered with blessings no less than the pardon of our national sins, and the restoration of our now divided and suffering country to its former happy condition of unity and peace.

"In witness whereof, I have hereunto set my hand, and caused the seal of the United States to be affixed.

Done at the city of Washington, this thirtieth day of March, in the year of our Lord one thousand eight hundred and sixty-three, and of the independence of the United States the eighty-seventh."

Youth Services Bureau

Last week's summer Rec. program was lots of fun! Monday's group went canoeing down the AuSable River. Tuesday's group went for a picnic at Hartwick Pines State Park. Mio's summer Rec. group joined us for the day. The youths had fun playing on the playground equipment, enjoyed a tour of the grounds, and had a great picnic.

Wednesday we joined Mio's summer Rec. group at Perry Lake in Mio. We swam and had a picnic lunch - it was lots of fun!! Too bad Doug and the kids who rode with him didn't get there till 1:00, someone, not to mention any names, locked Doug's keys in his trunk when they had to stop before heading to Mio!!

Thursday we spent the day at the City Park, we picniced and visited the Crawford County Historical Museum. We also celebrated Tony Pizzi's birthday - Happy Birthday Tony!!

Next week's activities are as follows:

Monday: Grayling Mercey Hospital Tour.

Tuesday: Miniature Golf.

Wednesday: Hiking - Jago.

Thursday: Buckets and Burgers/swimming - Smith Lake (Mio).

The Youth Service Bureau is a Crawford County United Way Supported Agency.

W.I.F. News

We have been working long and hard to finalize our plans for Frederic Day that will be held Saturday, August 3rd, starting at 11:00 a.m. at the Frederic Park.

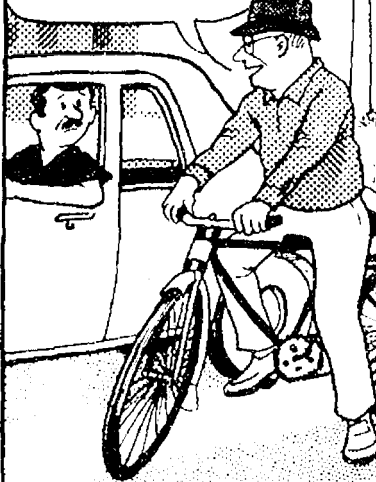

With the help of the Frederic Fire Dept. and the Frederic Hobby Club, we are going to be able to have many events lined up for young and old alike. We'll also have live entertainment, demonstrations, numerous games and hopefully a lot of fun for everyone.

All of the area merchants have been great in giving donations for our free drawings that day. We will also be having a community picnic with hot dogs, sloppy joes, coffee, and orange drink being served free of charge. All that we ask is that everyone bring a dish to pass, a smile, and a "Hello" to all the friends and neighbors that will be there.

HONDURAS OPERATION — Lieutenant Spence Olsen, of Grayling, is serving on temporary duty with Task Force 36 at Camp Bulldog in the Aguan Valley in Honduras. Lieutenant Olsen is the S-5, or Civil Affairs Officer for the Task Force. His job is to maintain liaison with the civilian populace and help out in any community assistance projects that the Fort Benning engineers might be able to do. Lieutenant Olsen's regular unit is the 96th Civil Affairs Battalion (AIRBORNE) of the 1st Special Operations Command at Fort Bragg, North Carolina. Olsen is the grandson of Francis Olsen of Roberts Road in Grayling. Above, he displays the sign his section made warning about blasting on the road the 43rd Engineer Battalion of Fort Benning, Georgia, is building in Honduras. (Photograph by Major Michael H. Johnson)

Eagles Celebrate Golden Anniversary of Social Security

A 50th anniversary of the signing of the Social Security Act will commemorate both Social Security and the Fraternal Order of Eagles (F.O.E.) central role in the passage of what many consider to be the most significant social legislation in this century.

When President Franklin D. Roosevelt signed the Social Security Act on August 14, 1935, he presented one of the pens he used to the Eagles in recognition of the Order's 20-year campaign

Doodles From The Tall Timber

By Wendell L. Hoover, Park Interpreter

Our recent Old Time Days was a success and if you missed those two days, you also missed the debut of our steam powered sawmill. I was chided a bit for not mentioning the sawmill in this column, but after we considered all that had to be done and the logistics of getting those things done before operation we were reluctant to advertise. For example, we needed a twelve foot long two and seven-sixteenths diameter jack shaft to extend the saw mandrel. It took awhile to locate such a shaft and if we would have waited for delivery it still would not be here for another two weeks. With the shaft in hand a key-way had to be milled on one side in order to properly position the drive pulley and a coupling. The key-way was cut by the Experiment Station at Roscommon only five days before the big weekend.

In order to support the shaft we needed two pillow blocks, but only one was available in the area. We were mounting the second pillow block on Friday night along with a pulley to keep the drive belt from rubbing on the front wheel of the steam tractor. The proper position of the steam tractor could only be accomplished by getting up steam pressure and moving the tractor from headquarters to the mill. That was done by mid-afternoon on Friday. We made a temporary smoke stack Friday night and the crew put it up Saturday morning. Before we operate again, there are still things to be done to both the engine and the mill; but we hope before summers end to hear the sound of steam power in the Tall Timber.

Singles Group Started Here

An ecumenical singles group for the Grayling area has been started by Ginethea McDowell, of Leisure Ministries.

A canoe picnic and volleyball outing has been planned for July 28th at 3 p.m. from Jolly Redskin to Burton's Landing. Bring your own canoe and picnic, or if you don't have a canoe, one will be provided free of charge.

Call McDowell at 348-2974 from 9 a.m. to noon Monday to Friday to let her know how many are coming and who needs a canoe.

A singles meeting will be held July 30 at 7:30 p.m. at the Michelson Memorial United Methodist Church. To join in the singles group you need only be out of high school and single. Single-agains can also be part of the group.

McDowell, who is attending the University of Michigan-Flint to earn a teaching certificate in secondary education, is also assisting with worship services at the Michelson Memorial Church. In addition, she has provided leisure-setting worship services and children programs for Roscoe McHiggins and Yogi Bear Jellystone campgrounds.

Services Held For Steven Katona, Jr.

Steven F. Katona, Jr., 49, of Grayling Township died Monday, July 15, 1985, at Receiving Hospital in Detroit. Funeral services were held at 11:00 a.m. Thursday, July 18, 1985, at the Sorenson Funeral Home with the Reverend William Fraser officiating. Cremation followed the funeral service.

Steven was born in Detroit on November 29, 1935, to Steven and Anne Ruth (LeBlanc) Katona, Sr. He was an electrician in the heavy construction industry; and a member of the Local 58, I.B.E.W.

Michigan Political Makeup Changing

by Richard Millman

LOTS OF FOLKS keep wary eyes on population figures and trends — builders, merchants, marketers, those involved in commerce in many ways.

There are significant political overtones to population trends, too.

Take a look at a couple of recent projections of Michigan's population development, and some very interesting political considerations emerge.

A recent study released by the American Federation of State, County and Municipal Employees indicates that Michigan is expected to lose 441,000 in population between the 1980 and 1990 census counts.

During the same time period, Texas and California will be the two fastest-growing states. Texas is expected to gain 29 percent in population — growing from 14.2 million to 18.4 million people. And California, which had 23.7 million population in 1980, is expected to surge 19 percent to 28.3 million by 1990.

IF THE A.F.S.C.M.E. projections come to pass, one of the significant results will be that Michigan will lose three seats in the United States House of Representatives, dropping from the present 18 members down to 15 members.

The big gainers in congressional reapportionment will be the fastest-growing states, of course. Texas and California, for example, each would gain five seats in the House. Of the 435 members of the House, 50 would come from California and 32 from Texas, making them the two largest state delegations.

New York would slip to third place, losing three members down to 31, despite an expected increase in population by 426,000.

The AFSCME study indicates the Northeast and Midwest would lose 16 seats in Congress, which would go primarily to the South and West. That's the way the population changes.

OF SPECIAL IMPORTANCE in this whole scheme of things will be the makeup of the Michigan Legislature, because the state lawmakers in Lansing will draw the tough assignment of reapportioning the congressional seats to reflect the loss.

Michigan lost one seat in Congress after the 1980 census, but the state legislators

had a relatively easy time dividing the state from 19 into 18 districts by consolidation primarily in the Detroit metropolitan area. Gov. James Blanchard was then a congressman, and when he decided not to run for that job again, the state lawmakers simply eliminated his seat.

It will not be so easy in 1982, however, if three seats are lost. Several sitting congressmen likely will be thrown into common districts. And the political makeup of the congressional delegation — now 12 Democrats and six Republicans — will be influenced greatly by the political makeup of the state legislature which divides the districts.

There will be a Republican way of drawing up districts, and there will be a Democratic way of doing the same thing. Whoever rules in Lansing at the time will call all the shots. That's one reason control of the legislature will be hotly contested during the next few elections.

MEANWHILE, DOWN in the Detroit area, other population changes are taking place. Detroit is expected to drop below one million in population by 1990, for the first time since the 1920s. The city's planning department is projecting a decrease from 1980 population of 1,203,368 to a 1990 level of 988,000.

That means that Detroit will have less political clout both in the congressional delegation and in the Michigan Legislature as the city's representation will have to decrease to reflect fewer and fewer residents.

If both of these projections are correct, more than half of Michigan's projected statewide population loss will be in the City of Detroit. And that will cause legislative reshuffling to reflect the changing balance of population power.

FOR YEARS, Michigan was one of the growth states, and the congressional delegation grew apace.

During the same span, Detroit kept growing, too, leading the way for an expanding population in Michigan.

These trends changed in the 1950s, and the shoe is on the other foot now. When it comes to cutting up the congressional and legislative districts in a few years, that tightening population shoe is really going to pinch.

NEW OWNERS AT JELLYSTONE — Greg and Marlene Schoo, new owners at Jellystone Park, cut a ribbon at Grand Opening ceremonies with Yogi Bear, Boo Boo, and Grayling Chamber of Commerce members on hand as well as Jellystone Park employees. The campgrounds features 214 sites, a swimming pool, playgrounds, laundry, camp store, remodeled washrooms, and recreation rooms with video games.

Mercy Hospital Float In Milltown Parade

Grayling Mercy Hospital has constructed a float which will appear in the Milltown Parade, the Centennial Parade August 17 in Roscommon and other parades throughout the service area. The float is designed in the shape of a birthday cake to symbolize the Hospital's 75th year of service in Grayling.

Mercy Hospital is sponsored by the Sisters of Mercy, Detroit Province. The order was founded by Catherine McAuley, on December 12, 1831 on Baggot Street, Dublin, Ireland. Each professed Sister has taken the traditional vows of poverty, chastity, and obedience, as well as a vow of service to the poor, sick and uneducated.

Sister Alice Marie, Social Services Secretary at the hospital, will be riding the float symbolic of the first Sisters of Mercy who came to Grayling 75 years ago. She will be wearing an original habit like those worn by the Sisters in the early 1900s, but omitting the bustle, train, cloak, and extra veil.

The original style of the Sisters' black garb was designed by the Mercy Foundress appropriate to the peasants of the period. When homes were visited and sick attended to, the large round white bib was replaced with a white scarf in order to make the work more effective.

Herbal Corner

Last week we discussed preserving with lemon juice, citric acid, and ascorbic acid, with the latter being the best. And you thought this column was strictly for the weeds.

I used the Vitamin C crystals two years ago and found it the most efficient and the least expensive way of canning. I used it in my peaches with the breakdown of 1/4 tsp of ascorbic acid for each pint and 1/2 tsp for each quart. They look beautiful. The following are ways of using ascorbic acid for freezing:

Wet pack with syrup - add dissolved ascorbic acid to cold syrup and stir.

Wet pack with sugar - just before packing, sprinkle the needed amount of ascorbic acid - dissolved in 2 or 3 tbsps of cold water - over the fruit before you add the sugar.

Wet pack in crushed fruits and purees - add dissolved ascorbic acid to the prepared fruit; stir well.

Fruit juices - add dry ascorbic acid to the juice and stir to dissolve.

Dry pack (no sugar) - just before packing, sprinkle dissolved ascorbic acid over the fruit; mix gently but thoroughly to coat each piece.

For freezing fatty fish, a 20-second dip in a cold solution of 2 tps crystalline ascorbic acid dissolved in 1 quart of water will lessen the change of rancidity during freezer storage. The fish to treat are mackerel, pink and chum salmon, lake trout, tuna and eel, plus all fish roe.

If you need specifics on each fruit call me at 517/348-8727 or contact me at Cerelli's Herb Farm, 1 mile north of Frederic on Old 27.

Herbally yours,
E. Diona Cerelli, C.H.

Cockroaches

Cockroaches are more numerous today than ever, tougher to kill, and show no signs of quitting the planet they have inhabited for 320 million years. The small, light brown German cockroach is the most common of the domestic roach species in the United States. With their rapid reproduction rate, a pair of German cockroaches and their offspring could build an empire of 400,000 insects in one year.

State Has Below Average
Tax Capacity,
Above Average Taxes

Warren M. Hoyt, Executive Dir., MPA

Michigan's ability to produce government revenue is about 7.2 percent below the national average, but its actual tax levels are about 20.3 percent higher, a report from the Advisory Commission on Intergovernmental Relations says.

The report by the Washington-based group, covering data for the 1982 tax year, uses a "representative tax system" of 26 tax bases used in all the states to compare tax capacity and effort, instead of a per capita income standard which is commonly used to compare states' abilities to provide services.

Among the taxes in the base are sales, income, severance, property, and liquor taxes.

Michigan's tax capacity had been above the national average until 1980 when the effect of the recession put it 3 percent below the average. It dropped each year through 1982's level of 7.2 percent below, while its actual tax collections were above the national average and climbed steadily upward during that period.

In 1980, tax collections were 15.6 percent above the average and it rose to the 20.3 percent mark in 1982, the report said.

The recession hit all Great Lakes states hard, dropping their tax capacities about 10 percentage points from 1979 to 1982.

The report said the index shows "a region in severe fiscal decline. These decreases reflect both the weakness of the farm economy and the poor performance of the automobile and related industries."

But it said an increase was expected beginning with 1983 taxes.

Along with Michigan's drop of 11 points to a tax capacity 7 percent below the national average, Illinois dropped 13 points to 1 percent below, Wisconsin 13 points to 13 percent below and Ohio and Indiana 9 points to 8 percent and 11 percent below, respectively.

Among its significant revenue sources, Michigan was under the national average for general sales taxes, collecting 22.9 percent less than other states on the average.

Its sales tax capacity was .7 percent above the national average.

Among the selected sales taxes, Michigan was lowest compared to other states on insurance (40.9 percent below while its capacity to raise revenue is 19.7 percent higher), utility (84.7 percent below while its capacity is .3 percent higher), amusements (99.1 percent below while its capacity is 34.6 percent below), and alcoholic beverages (23.8 percent below while its capacity is 3.6 percent below).

Michigan relies more heavily on the personal income, corporate and property taxes, each well above the national average. The income tax capacity to raise revenue is 2.1 percent below the national average, but actual collections are 24.1 percent higher; corporate tax capacity is 8.5 percent below; collections are 83.4 percent higher; and property tax capacity is 11.1 percent below average, collections are 69.4 percent above average.

GOVERNOR VETOES STATE FAIR LIQUOR BILL

Governor James Blanchard has vetoed legislation that would have permitted the sale and consumption of beer and wine at the Michigan State Fair in Detroit and the Upper Peninsula State Fair in Escanaba.

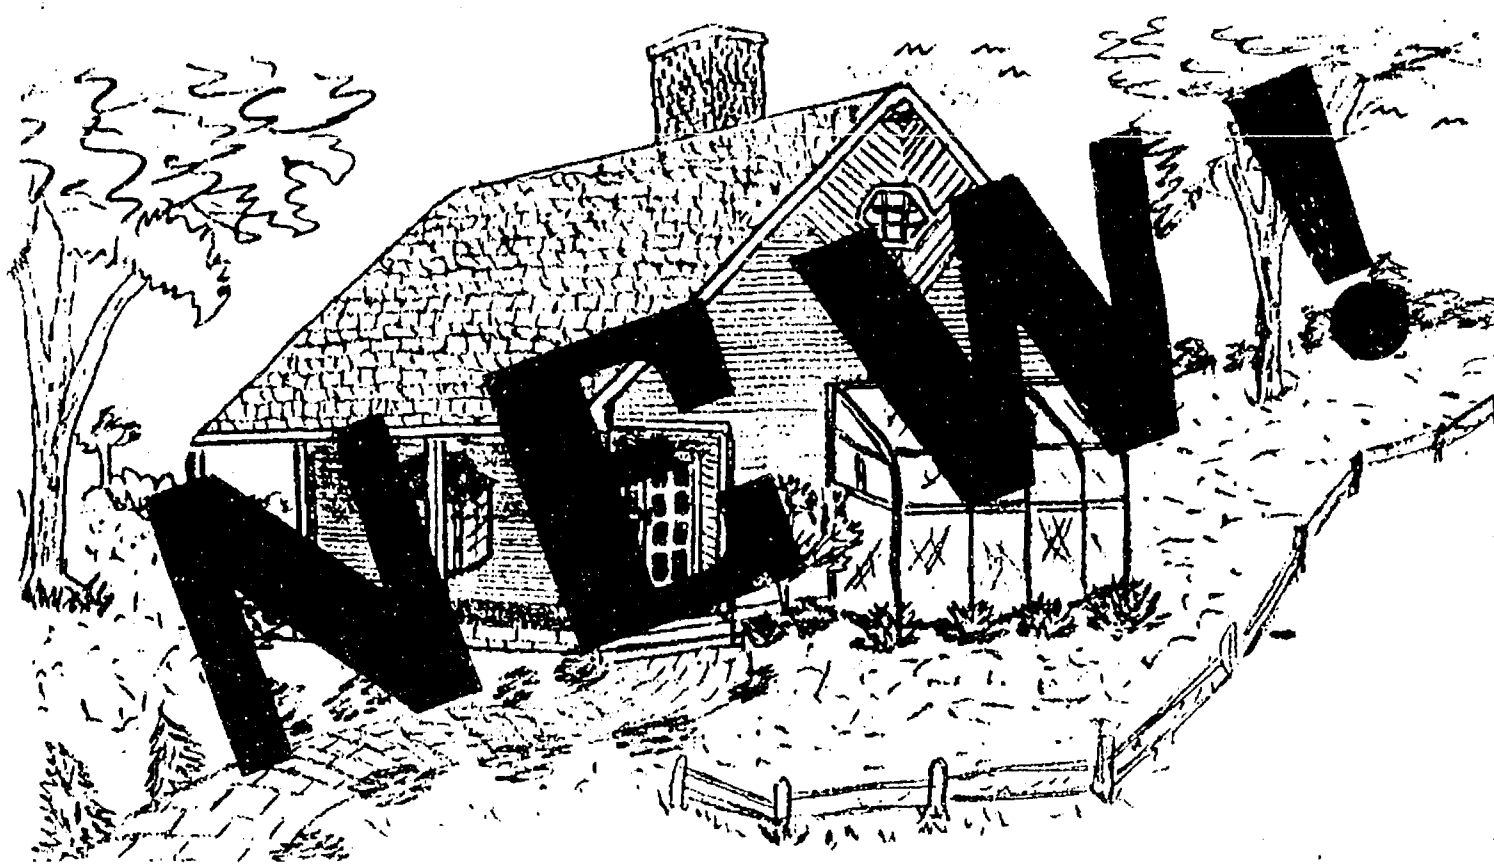

He cited, in his veto message, the long standing tradition surrounding the fair and a concern for discouraging drinking and driving.

"We must keep the fair a place for families. Whatever the modest revenues which could result from the changes outlined in this bill, they do not outweigh my concern for the overall and long term success of the fairs," the Governor said.

Help your kids to just say no.

La Leche League Meeting Notice

"Nutrition and Weaning" will be the topic for discussion at the August meeting of the Grayling-Roscommon La Leche League. The meeting will be held on Thursday, August 1 at 7:30 p.m. at 704 Ionia Street, Grayling. This is the last meeting of this series; a new series of meetings will begin in September in Roscommon.

La Leche League believes that mother's milk is the best food for baby; more importantly, that breastfeeding gives the baby the best start in living.

The discussion will include suggestions about nutrition for nursing mothers and their families; starting the baby on solid food; and information about weaning the breastfed baby.

Any interested woman is welcome to attend. Expectant mothers are encouraged to attend the series of meetings before the baby arrives. Babies are always welcome. For further information, or for breastfeeding help, call Carolyn Crist at 275-8431.

Strolling Around Town

This week's stroll is along State Street where Mrs. Gildner has her usual display of roses that were planted in place of all the petunias she used to have. She still has a lovely bed of impatiens along her front walk. The other treat we had was a stroll around the apartments at the housing complex. Edna Feldhauser, Millie Crosby and Loretta Barnes have one unit completely ringed with flowers, petunias, geraniums, lilies, roses, etc. Across the yard is Wilma Sunday with more flowers. If you have a chance, stop and enjoy — many of them do not show on State Street but are around in back. Many of the tenants over there take wonderful care of their surrounding yards.

I have to thank all my neighbors, the canoe liveries, for keeping up their places. All of them are kept very well and are an attractive view from our windows.

Back to this side of the river on Ionia and Park, the McEvers home has new trees and flowers, the Cox home has flowers and the Tinker home has a lovely bed of petunias.

'Til next week—

New Program for Enlisting In National Guard

Lansing — The Michigan Army National Guard announced today of a first ever 360 day delay entry program for those enlisting into the National Guard. This new program went into effect July 1, 1985.

The delay entry program will allow high school seniors and college students to enlist immediately and delay going off to their required Basic and Advance Individual Training for up to 360 days. Normally students prefer to attend this training during the summer months when school is not in session so that it will not interfere with their education schedule.

According to Major Wayne C. Koppa, Recruiting and Retention Manager for the Michigan Army National Guard, the delayed entry program is a big plus. "Since more of our education programs are geared to individuals going to school, this will definitely assist them," said Major Koppa. "It will also aid them prior to going off to their training," he added.

Those enlisting in this program will be able to attend up to nine weekend drills prior to their attendance of Basic training and get paid for them. This means an individual would earn \$76.48 for weekend of work per month. It would also provide valuable work experience that will aid them while attending their training.

Interested individuals should contact their local National Guard Armory or call the State Recruiting Office, toll free at 1-800-292-1386.

WEYERHAEUSER DONATES — Jim Larson, Accounting Manager at the Grayling Weyerhaeuser Structurwood plant, gives a \$600 check to George Pamerleau, chairman of the Crawford County Red Cross Chapter of the American Red Cross. This is the third grant to be given to the Grayling area in 1985 by the Foundation. The American Red Cross was chartered in the early 1900's by the U.S. Congress to assist members of the Armed Forces and their families (including Veterans) in times of peace and war and to provide relief to victims of disasters such as hurricanes, floods, tornados, explosions and so on, in the form of food, clothing, shelter and medical care. In addition, all funding must come from contributions by the people and not from Federal, State, or local taxes. The local chapter sponsors blood banks, gives aid to families experiencing home burnouts, provides instructors for first aid, cardiopulmonary resuscitation and water safety. They are active in providing services to members of the community in the armed forces.

Kirtland Conducting Summer Gifted-Talented Program

Kirtland Community College has been conducting a summer Gifted and Talented Program for 7th and 8th graders from the six K-12 school systems that comprise the Kirtland and COOR Districts. Eligibility for the program was determined by the results of the California Achievement Test and SAT Test scores.

Four workshops are being offered: Creative Workshop in Art, Keyboarding, Problem Solving with Computer Programming, and Creative Investigations in Science.

Creative Workshop in Art is designed to introduce students to numerous art and design experiences. Students are exploring a variety of art media including drawing, painting, design principles, designing with type, color theory, photography, clay, collage, photo art processes, silkscreen, and video (T.V.).

Students in Keyboarding will be able to zip through the keyboarding (input) phase of computer programming and information processing (or just plain type at a regular typewriter)

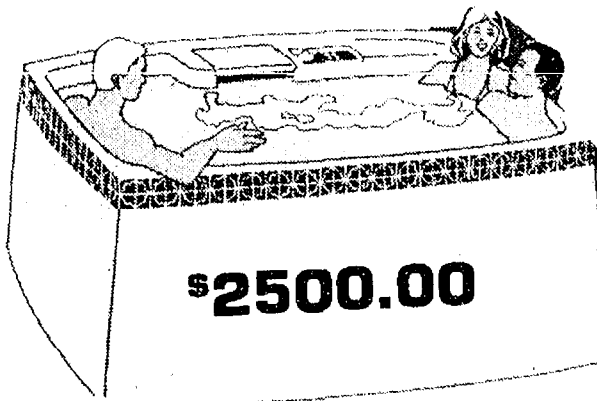

when they finish this course. Students are learning keyboarding using a micro-computer and the Typing Tutor III program. They are also using Letter Invader games, word processing with the WordPerfect program, and basic programming.

Problem Solving with Computer Programming consists of problem solving with a computer, in the BASIC language. Students work through case studies with the aid of Sherlock Holmes and his assistant, Dr. Watson, and are asked to solve many of the case on their own.

Creative Investigations in Science is a problem-solving course in the biological and earth sciences. Participants are encouraged to identify problems of interest to them and invent ways to solve those problems. The course also includes field trips, films, discussions, lectures, demonstrations, games and

career explorations. Fifty-four students are enrolled in the five week program.

Janie Crawford and baby of Blissfield spent a week in Grayling visiting her father, Dale Pettengill and wife, sister, Kay Ellen Juntilla and family and niece, Winnie Lepsy and family.

Bob and Marilyn Brady of Redford spent a week at their cottage at Eagle Point.

Mr. and Mrs. Leo Post and Mr. and Mrs. Harry Souders attended their annual summer picnic with their Michigan friends from Port of Call, Gulf Shores, Alabama. It was held at the home of Mr. and Mrs. Jerry Swanson of Bear Lake in western Michigan, on Wednesday, July 10. Those attending were from Traverse City, Gaylord, Luther, Cadillac, Mt. Clemens, and Hastings.

Doug Failing and his guest Yueh-Shen Soo from Canoga Park, California, visited his parents Jim and Pat Failing from July 1 to the 8th. While they were here they attended the Failing family reunion on July 4, Doug's class reunion, the class of 1975, on July 6, and the Thompson family get-together on July 7.

Jim and Pat Failing, Floyd and Betty Millikin, John and Betty Failing, Herb and Glenna Wheeler and another Failing sister, Pat and Carroll Scott of Gaylord spent four days in Nashville. They were met there by the Millikin's daughter and her husband, Sandy and Randy Cook of Anniston, Alabama. They all visited Opry Land and Printer's Alley. Sandy returned with her parents to spend two weeks with them.

Poor Service

Even if the food and prices are reasonable, 83 percent of the people in a recent survey said they wouldn't return to a restaurant with poor service.

6th Annual Milltown Run Set for Saturday

The Sixth Annual Milltown 10K Run will be held Saturday, July 27, at 9 a.m. in Grayling in conjunction with the Milltown Festival. Also there will be a 1.5 mile fun-run beginning at 8:30 a.m.

Registration will be at the Grayling Middle School at 7:30 a.m. A free T-shirt will be given to the first 150 entrants. Additionally, in recognition of its seventy-fifth year of service to the Grayling area, Mercy Hospital will be giving free sweat bands to all entrants. The race is sponsored by Chemical Bank North and Grayling Mercy Hospital.

The course is run on mostly black top roads. Approximately three-quarters of a mile is run on two-track trail. The race crosses the east branch of the AuSable River. Splits will be located at the one, three and five mile points in the race.

Awards will be given in 30 different categories. There is no age limit on entrants. Awards will be given to the oldest and youngest finisher, and in 21 different age groups for men and women. Last year's winner was Eric Gardey of Roscommon with a time of 35 minutes and 17 seconds.

Pat Paulsen Back at Cherry County Playhouse

Pat Paulsen is back with us this season for his fifteenth Cherry County Playhouse starring role. Pat first came to Cherry County Playhouse in 1971 to star in "Play It Again, Sam". Since then he has starred in such plays as "Last of the Red Hot Lovers", "The Odd Couple", "Harvey", "God's Favorite", "California Suite", "Murder at the Howard Johnson's", "Who Gets the Drapes?", "How the Other Half Loves", and "Greater Tuna". In 1975, Pat became producer and owner of the Cherry County Playhouse, where many of his plays have set box-office records.

Pat's interest in theatre began at San Francisco City College where he was a Forestry student. He became involved in productions of "Twelfth Night", "The Man Who Came to Dinner", "Vagabond King", and "Night Must Fall." His interest in theatre grew so strong that he left college to join a little theatre in Santa Rosa, California.

For a time, Pat's career took a series of turns. He took temporary work as a photostat machine operator and worked in a gypsum plant before turning to nightclub performing. His political satire led to appearances in coffee houses throughout the United States

and Canada. At one in particular, The Ice House in Pasadena, he met the Smothers Brothers and sold them the song "Chocolate" which was included in their million-selling album. This led to his appearance on the Smothers Brothers Comedy Hour, the tremendous success of his comic editorials, and the two campaigns for the Presidency. After the 1972 campaign, Pat returned to the legitimate stage in "Three Men on a Horse" and "Play It Again, Sam". He toured the country in these plays in 1971 and 1972.

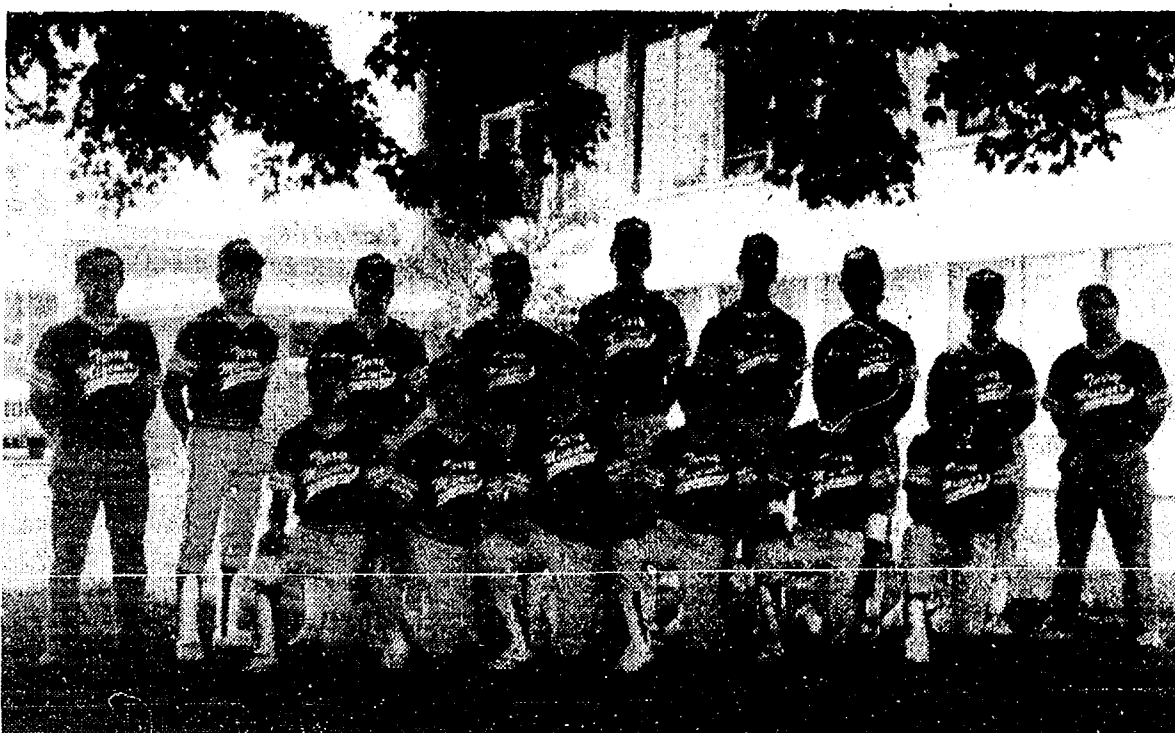

While starring at theatres across the country, Pat has continued to find time for frequent television appearances and performs in nightclubs and on college campuses throughout the country.

In 1979 Pat was named Man of the Year by the National Kidney Foundation and was awarded an honorary Doctor of Humane Letters by Eastern Michigan University. In 1980 both awards were repossessed.

Senior All-Stars Win Pair, Lose in Finals

SENIOR ALL-STARS — Left to right, back row: Coach Richard Myers, Rusty Argue, Clark Allen, Chris Skidmore, Jeff McClellan, Jeff Palmer, David Myers, Mike McNamara, Manager Fred Allen. Front row: Johnny Schrieber, Joe Francis, John Kinnee, Bud Ostrowski, Mike Van Hill, Skeeter Apps. Not pictured Jeff Wolcott.

Grayling Little League Senior Division in All Star action on Tuesday, July 9th fielded nine fifteen year olds against Cheboygan All Star team.

Grayling played a tight defensive game with pitcher Jeff Palmer giving up only two hits. Players getting hits for Grayling were Myers, Francis, Allen, Palmer, Schrieber, Argue and Kinnee. Rusty Argue led the team with 4 RBI's, Allen and Palmer contributed 2 each with McNamara and Kinnee each adding one. The winning pitcher was Jeff Palmer with 14 strikeouts. Grayling 10 - Cheboygan 2.

This win enabled Grayling to go against Roscommon-St. Helen, the winners of the game against Houghton Lake.

In the second game of the doubleheader, Grayling's bats blazed allowing all players to get in the game.

Players getting hits for Grayling were Myers, Allen, Argue, Palmer, Van Hill, McNamara, Schrieber, Apps and Kinnee. Jeff Palmer, hit a Grand Slam Home Run in the 4th inning to widen the

gap. Palmer led the team with 5 RBI's, Myers and Allen 3 each, Argue and Kinnee 2 each with Schrieber, Van Hill, McNamara and Skidmore contributing one each. The winning pitcher was John Schrieber with 7 strikeouts. This win enabled Grayling to advance to the District Finals in Indian River against Sault Ste. Marie. Grayling 19 - Roscommon-St. Helen 8. Grayling in District

Finals, in a heartbreaker lost to Sault Ste. Marie by a score of 4-3, after leading the whole game.

A fast move by the pitcher to first, silent bats and costly errors all contributed to Grayling's loss.

Clark Allen led the hitting squad with 3 singles. John Kinnee contributed a double and single, with singles also being hit by Palmer and McClellan. John Kinnee also had 2 RBI's.

CARD OF THANKS

To everyone on the staff and the volunteers of the Grayling Mercy Hospital and the Long Term Care Unit.

Thank you for inviting all of us to the happiest birthday party of the year, that was given for my father-in-law, John Dare, Wed., July 17, 1985. I had lost all hope in the human race until I attended John's 103rd. birthday.

Everyone working there are very considerate, thoughtful and kind to all the people they care for.

John's four son's and one grandson was able to make the trip for this beautiful party that was all planned by the workers at the Long Term Care Unit.

We were able to take pictures for the first time in years of John and his number one son Lewis of Warren, Mi., 2nd. son, Edmund, of Flint, Mi., the 3rd. son is Donald of Lupton, Mi., 4th son is Perry of Brighton, Mi., and the grandson, Allen, of Rochester, Mi.

Thank you again for this beautiful day that we will never forget.

Who Should Control the River?

IF Tom Opre and his friends should convince Ronald Skoog and the Department of Natural Resources that "No-Kill" is the answer to a Maiden's Prayer, what happens to the Wading Fisherman that would like a few fish to eat.

From Grayling to McMasters Bridge there are THREE access points compared to SEVEN from Burtons Landing to Wakeley Bridge. From Wakeley Bridge to McMasters Bridge, the Wading Fisherman can park his car and enter the River at Wakeley Bridge, Town Line Road and Conners Flats. To the Property Owners and Taxpayers in this area, the Trespassing Problem will become intolerable with no relief in sight since the State of Michigan doesn't own any River property in that stretch of River.

What will happen to the quiet and peaceful North Branch? Those people with property on the North Branch of the AuSable can expect a flood of Wading Fishermen from the Sheep Ranch to Lovells to Dam 4. The Canoes will join the Fishermen at Dam 4 and the River Boats will join the parade at Morley Road.

If you oppose the Opre "No-Kill" Regulation, it is

Grant Diversion Offered Employers

During the next six months twenty-five volunteer general assistance recipients will trade their general assistance checks with private sector employers for jobs.

"WISE" a grant Diversion Project offers employers cash payments of up to \$200 a month plus other incentives for six months for hiring qualified work ready general assistance recipients. The \$200 incentive payments, about the amount of a general assistance grant, gives the employer money to help offset hiring and training cost associated with a new employee. Employers also become eligible for Targeted Job Tax Credits of up to \$4,500 over the new employee's first two years of employment. Further incentives are offered to employers who give the new employee a higher starting wage, benefit package or advance job training.

"WISE" (Work Incentive Subsidies for Employers) sponsored jointly by Kirtland Community College and the Roscommon County Department of Social Services, seeks to reduce unemployment and decrease the welfare roles in Roscommon County. The project, one of only eight in the state, is sanctioned by the Michigan Department of Social Services to show that individuals on general assistance can, when given the chance, become positive contributors to the state's economy.

Employers interested in taking advantage of "WISE" will find it is an easy project to work with. The Employer calls or meets with "WISE" staff to outline their employment needs, then "WISE" staff will screen employee candidates from a pool of volunteer general assistance recipients and refer a few qualified candidates. The employer is not under obligation to hire any of the candidates if he feels they do not meet his needs.

Employers now hiring or planning to hire in the next few months should call 275-5121, Ext. 266 and find out more about "WISE". General Assistance recipients interested should call Mike McCormick at 275-5107 and ask for the "WISE" facts.

Grayling Township Minutes

ANNUAL MEETING — JUNE 29, 1985

The 1985 Annual Meeting was called to order at 1:00 p.m. by Chairman Arnold Stancil.

Persons in attendance: Bob Chappel, Rev. & Mrs. Wm. H. Fraser, Jeannette Kitchen, Dave Frederick, Bernard J. Fowler, Walter A. Nowak, Randy G. Thompson, Richard K. Schmidt, Kathy Ashton, Terry Wright, Jerry Morford, Garland Joyce, Helen Broeker, Ron Fraser, Nora Fraser, Paul Lerg, Elizabeth Wieland, Ivan W. Gwilt, Joe Elekonich, John Patchin, Robert J. Ruddy, John Alef II, Ruth O'Mara, Sandy Thompson, Bob McLachlan, Monica Ashton, Mary E. Harland.

Chairman Stancil led the Pledge of Allegiance, thanked citizens for their attendance and reminded them that participation in any decision was limited to those holding qualifications of an elector of Grayling Township.

Clerk Ashton read the minutes of the 1984 Annual Meeting.

Motion by Bernard Fowler, supported by Ivan Gwilt, to approve minutes of 1984 Annual Meeting as presented. All ayes, motion carried.

Stancil stated there is a current petition on file from residents of Grayling Manor requesting a special assessment district for street lighting.

Cost estimates are in progress for lighting North Down River Road from Michigan Avenue to I-75.

Correspondence was limited to a Federal Revenue Sharing speculation sheet which estimates only 75% of the proposed Federal Revenue Sharing National Budget will be funded.

The agenda, proposed budgets, a financial statement through June 28, 1985, and Supervisor's state of the township address were made available.

Stancil indicated he would be recommending the Board continue to hold their meetings on the second Tuesday of each month at 7:30 p.m. Dates for the next fiscal year will be: July 9, August 13, Sept. 10, Oct. 15, Nov. 12, Dec. 10, Jan. 14, Feb. 11, March 11, April 8, May 13, June 10. The Annual Meeting will be June 29, 1986.

A recommendation would also be made to authorize the depository of funds in all five financial institutions: Chemical Bank, Grayling State Bank, Great Lakes Federal Savings, Old Kent Bank, and Wurtsmith Community Federal Credit Union.

Chairman Stancil recessed the meeting to conduct budget hearing.

PUBLIC HEARING

Hearing opened at 1:17 p.m. to review and receive comments on revenues and expenditures proposed for the General Fund and Liquor Fund.

General fund 1985-86 proposed budget is \$363,175.00. Liquor Law Enforcement Fund proposed budget is \$1600.00.

Several general fund line items were clarified.

The electors and general public present conveyed that their main reason for being present was a rumor that the Township Board was considering cutting funding for the airport or pulling out of the Crawford County Transportation Authority altogether.

Citizens making statements opposing either of these actions were: Randy G. Thompson, Garland Joyce, Jerry Morford, Bernard Fowler, Paul Lerg, Ron Fraser, Terry Wright, John Patchin, and Wm. Fraser.

Bernard Fowler, retired Township Supervisor, explained that the requested 84-85 funding of \$14,000 had been estimated on a higher proposed airport budget for that year, however the budget actually adopted had set funding at a lesser amount.

Monica Ashton, clerk, explained that the actual Township expenditure to Crawford County Transportation Authority (Airport) of \$13,154.00, as stated on the June 28th financial report, reflected contributions for five quarters and also per diem for township representatives to C.C.T.A.B.

Stancil explained that the 12,000 requested 85-86 C.C.T.A. funding is projected to be sufficient to fund Grayling Township's 23.9% share of upcoming C.C.T.A. budget and is not a cut in funding.

Ron Fraser requested Township officers to publicly state their feelings on the airport issue.

Monica Ashton, clerk, stated she is comfortable with the formula used to calculate the funding rate of the entities participating. Also, she feels the management of the Authority is competent and has been assured that new avenues for bringing in revenues other than tax dollars will continually be sought. She would not, at this point, vote for a cut in funding or withdrawal from the C.C.T.A.

Bob McLachlan, trustee, stated he is not for cutting funding or withdrawing from C.C.T.A. at this time.

Ruth O'Mara, treasurer, stated she is comfortable with the C.C.T.A. situation.

Fred Blaauw, trustee, was not present.

General consensus urged that more should be done to encourage the outlying townships and village to contribute to the airport budget.

Motion by Joe Elekonich, supported by Helen Broeker, to close public hearing. All ayes, motion carried.

Chairman Stancil reconvened the regular session.

Motion by Bernard Fowler, supported by Ivan Gwilt, to recommend that the Grayling Township Board adopt the 1985-86 General Fund Budget as presented. All ayes, motion carried.

Public Hearing

Hearing opened to review and receive comments on revenues and expenditures proposed for the Federal Revenue Sharing Fund 1985-86 budget.

All monies received through the Federal Revenue Sharing Fund Program are proposed for fire department.

The funding formula on the national level is still uncertain. Township 85-86 budget request is \$8,250 based on approximately 50% of 84-85 actual funding, however, there is hope that the actual funding will be 75-100% of 84-85 levels.

Motion by Bob Chappel, supported by Ruth O'Mara, to close public hearing. All ayes, motion carried.

Chairman reconvened the annual meeting.

Motion by Garland Joyce, supported by Bob Chappel, meeting be adjourned. All ayes, motion carried. (2:10 p.m.)

Business:

1. Phone conversation with Ken Lashuay, N.E.M.C.O.G., stated the township should receive the second progress report and preliminary maps for Grayling Township/Camp Grayling Rail Siding and Spur Feasibility Study on July 10, 1985.

2. Motion by O'Mara, supported by McLachlan, that Arnold Stancil and Bob Chappel be authorized to attend the Township Ordinance Enforcement Seminar, sponsored by M.T.A., on August 7, 1985 at the Grayling Holiday Inn. Roll call: McLachlan, aye, O'Mara, aye, Blaauw, aye, Ashton, aye, Stancil, aye, motion carried.

3. Motion by O'Mara, supported by McLachlan, that Monica Ashton be authorized to attend the Intermediate Governmental Accounting for Mich. Municipalities course at Michigan State University July 18 & 19, 1985. Roll call: McLachlan - aye, O'Mara - aye, Blaauw - aye, Ashton - aye, Stancil - aye, motion carried.

4. Correspondence from locally owned Milltown Refuse that they are expanding to service roll-off containers such as the one in use at the Township Compactor.

Trustee Blaauw recommended the Supervisor contact area companies offering this service and request bids. The Township is currently serviced by Otsego Sanitation, a Gaylord firm.

5. Request from Garland Joyce, President, Lake Margrethe Property Owners Association, that the Township contribute towards the purchase of signs for a Neighborhood Watch Program.

Discussion included questions of possible liability that could be incurred by the Township contributing to the program. Also, that it would lead to requests to participate in many neighborhood watch programs which could prove to be cost prohibitive.

Motion by O'Mara, supported by McLachlan, that the Supervisor convey in writing to the L.M.P.O.A. that the consensus of the board was to not make a contribution at this time. This decision in no way implies that the Board does not support

the basic concept of the program. A well organized program could be an asset to the community. All ayes, motion carried.

6. Motion by McLachlan, supported by Ashton, that due to recent upheavals in the liability insurance market and the possibility that the township's current liability package will not be renewable upon its expiration in October, that steps be taken now to secure adequate liability insurance, at a reasonable price, to prevent any lapse in coverage. All ayes, motion carried.

7. Motion by O'Mara, supported by McLachlan, that Mark Jurkovich be re-appointed to a three year term on Zoning Board of Appeals. This term to expire June 30, 1988. All ayes, motion carried.

8. Motion by McLachlan, supported by Blaauw, to approve Helen Broeker's request to reduce her hours to part-time hours agreeable to department heads. Also, that she be entitled to use her accrued vacation one day a week.

Motion by McLachlan, supported by Blaauw, that clerk advertise part-time secretarial position in the Crawford County Avalanche. All ayes, motion carried.

9. Motion by McLachlan, supported by Blaauw to table 85-86 salary schedules, per diem and mileage schedules until August meeting. All ayes, motion carried.

10. The Township office has used five different copiers on a trial basis. There are two more to be used before any decision to purchase is made.

11. The 1985-86 fiscal year budgets as presented for hearing at the Annual Meeting were offered for adoption.

Motion by Ashton, supported by O'Mara, to accept the recommendation of the electors at the June 29, 1985 Annual Meeting to adopt the proposed General Fund Budget in the amount of \$363,175.00.

Roll call: O'Mara - aye, McLachlan - aye, Blaauw - aye, Ashton - aye, Stancil - aye, Ayes - four, Nays - one, motion carried.

Motion by O'Mara, supported by McLachlan, to adopt the proposed Federal Revenue Sharing Budget in the amount of \$8250.00. The actual amount of Federal Revenue Sharing payments we will receive is still unclear, however, all F.R.S. funds received are proposed for fire department use. Roll call: Ashton - aye, O'Mara - aye, McLachlan - aye, Blaauw - aye, Stancil - aye, all ayes, motion carried.

Motion by O'Mara, supported by McLachlan, to adopt the proposed Liquor Law Enforcement Fund Budget in the amount of \$1600.00. Roll call: McLachlan - aye, Blaauw - aye, Ashton - aye, O'Mara - aye, Stancil - aye, motion carried.

12. Motion by Ashton, supported by O'Mara, to retain Douglas C. Dossos, Attorney, as Township legal counsel. All ayes, motion carried.

13. Motion by Ashton, supported by O'Mara, to retain Mickey Perez, C.P.A., as Township auditor. All ayes, motion carried.

14. Motion by Ashton, supported by Blaauw, to accept Supervisor's recommendation of continuing to hold regular meetings of the Township Board on the second Tuesday of the month at 7:30 p.m. All ayes, motion carried.

15. Motion by Ashton, supported by McLachlan, to authorize depository of funds with Grayling State Bank, Chemical Bank, Great Lakes Federal Savings, Old Kent Bank and the Wurtsmith Community Federal Credit Union. All ayes, motion carried.

16. Motion by O'Mara, supported by McLachlan, to allow employee and elected official participation in the Township Retirement Plan without contributing matching funds. All ayes, motion carried.

17. Motion by Ashton, supported by McLachlan, to move administration fees to the outside of the Township Retirement Plan. Roll call: Blaauw - aye, Ashton - aye, O'Mara - aye, McLachlan - aye, Stancil - aye, motion carried.

18. Motion by McLachlan, supported by Ashton, to table possible changes in employer contribution to the pension plan. All ayes, motion carried.

19. Dental and optical benefit plans were brought up for discussion. Preliminary investigation of these plans have shown they would be cost prohibitive for a group of our size.

20. Reports presented or on file:

Building & Zoning - Chappel

C.C.T.A. - O'Mara

Supervisor - Stancil

G.R.A. - Ashton

Planning Commission - Ashton

21. Discussion on the growing number of roadside stands, the permit or fee process, their safety, and possible liability.

Motion by McLachlan, supported by O'Mara, to approve bills on vouchers 7946 through 7986 in the amount of \$30,077.55. Roll call: McLachlan - aye, O'Mara - aye, Ashton - aye, Blaauw - aye, Stancil - aye, motion carried.

Motion to adjourn by O'Mara, supported by Blaauw, all ayes, motion carried.

Grayling Little League All-Stars won three games in a row beating East Jordan, Roscommon, and Boyne City to advance to the District semi-finals Friday in Indian River. Grayling will play Cheboygan at 6 p.m. The district final will be held Saturday.

Grayling started their tournament run with an 8-4 win over East Jordan at Gaylord last Thursday.

Grayling scored first with three runs in the bottom of the third. Karl Mead walked, Bob Harris singled, Joey Anteau and Todd Millikin walked and Matt Branch singled to account for the three runs.

East Jordan tied the game with three in the top of the fourth but Max Prosser singled and scored later on a ground ball in the bottom of the fourth to put Grayling back in the lead. East Jordan tied it again in the top of the fifth, but Grayling iced the game in their half of the

fifth.

Branch, John Jurkovich, Prosser, and Mead all scored with a triple by Prosser the big blow. Prosser and Harris led the hitting for Grayling with two hits. Branch had the only other hit.

Joey Anteau was the winning pitcher striking out nine, allowing only two hits, and walking six.

In the second game, Grayling pounded Roscommon 16-4. Friday at Gaylord they scored in every inning with eight players collecting two hits. Prosser, Mead, Mike Tremblay, Harris, Anteau, Branch, Jurkovich, and Shane Fraser all had two hits and Denny Springer had one. Grayling scored seven times in the fifth inning to break the game wide open.

Jurkovich received the win. He struck out nine, allowed three hits, and issued six walks.

In the third game Saturday against Boyne City at Gaylord, Joey Anteau pitched a 6-0 shutout.

Anteau struck out 12 batters, scattered two hits, and only gave up one walk.

Grayling only collected two hits, one each from Harris and Branch, three walks, and three batters were hit by pitchers. Harris scored the winning run in the second inning when he walked, was advanced by a sacrifice by Anteau, and came home on a single by Branch. Grayling used four stolen bases to help move their runners into scoring position.

Regulations for the 1985 elk hunt were recently established by the Natural Resource Commission.

The season will run from December 10th to 15th with shooting hours at 7:30 a.m. to 5:30 p.m. The season may be extended as necessary to insure harvest of the resource. A total of 120 licenses will be issued. A drawing will be held December 9th at a mandatory training session to determine 30 licensees who will have a hunter's choice permit. The others will be required to kill an antlerless elk. Hunting zones will be assigned randomly for the first 3 days of the hunt.

Only Michigan residents 14 years old or older by December 10 will be eligible to apply for a license. 1984 licensees are not eligible to apply. A non-refundable application fee of \$4.00 will be charged. The application must be postmarked no later than September 1, 1985 and received in Lansing by 5:00 p.m. September 3. Only one application per person is allowed. A drawing will be held on or about October 1, 1985 to determine successful applicants. Any weapon legal for deer hunting will be legal for the elk hunt, except buckshot will not be permitted.

Applications and directions should be available by August.

July 20, 1985

Mr. Howard D. Madsen,
Editor
Crawford Co. Avalanche
P.O. Box 490
Grayling, Mich. 49738

Dear Mr. Madsen:
Last spring I wrote you to express my shame for not having attended our annual Frederic Township meeting. Well, I attended the annual meeting on June 29th and the Township board meeting on July 9, 1985. Now I feel frustrated, full of disbelief and disillusioned about the machinations of our Township governing body.

At the annual meeting, after the question arose, the supervisor attempted to explain the rationale for his raising property assessments on a highly selective basis with significant bias. Second, an attempt was

made to explain why it was necessary to maintain a one mill and two mill Township tax rate. A tax increase, yes — in light of the 25 percent growth in Township State Equalized Value (S.E.V.) from \$20 million to \$25 million.

All of the explanations were grossly ambiguous. First, the question of slanted and biased assessments was fielded with an explanation that no assessments were raised on undeveloped land because no sales of such land were included in the county equalization record of 55 unit sales. That attempt to explain a fallacy fell "through the crack" when a review of appraisal records showed eight of the 55 sales were for land.

Then the secrets of selective, unequal and biased changes in residential assessments were revealed. We were told that all residential construction was classified "A" - "B" - "C" - and "D". This appraisal course "lecture" continued. "A" type construction was really something else, like huge, heavy super strong floor joists, etc. Then "D" was on the low end of the scheme, like 2" x 4" joists. The implication was that type "A" construction homes could therefore afford higher taxes. We were told that most of the dollar sales in the S.E.V. record (55) were of "A" quality. Well most of us, (not all), owning "A" type homes found our assessments increased by over 11 percent. The S.E.V. factor was only 6.35 percent.

Obviously, appraisals of lower value homes were not increased. That's funny, but not "funny ha-ha". Only seven percent of the homes (land and buildings) sold in the record period, had sales values greater than \$40,000. Only 20% of the home sales

recorded were over \$30,000. But most (not all) homes over \$30,000, in sales value were clobbered by increased appraisals. The dictionary defines equalization — "to make equal or uniform".

Our peripatetic Township supervisor attempted to answer the second point by showing us the new 1985 - 1986 Township budget. The first round of "double-talk" focused on not being able to trust the State to really pay the Township its fair share of taxes. No one really knew how many dollars Lansing was going to send our poor "starving" Township. Then there were words alluding to "management tools" and "conservative-saving practices".

Then the most appalling (or best act) of the afternoon vaudeville, was the total absence of any year-to-date expenditures, by budget category, to compare with the new budget or "wish" list. But, the suggestion from the "balcony" that budgets usually reflected "year-to-date" was accepted as probably being business like. But in fact remained, whatever our Township leaders spent or need to spend, our Township needed to retain the maximum mill tax allowed. Never mind the "truth in taxation" concept.

Then, on July 9th, the Township board meeting attendance was ten times normal. All present, except the "silent" board, sat in anguish as the wonderful, gentle volunteer head of the Ambulance Corps tried to convince the "attorney general" of Frederic Township that State laws governing the licensing of Ambulance Corps specialists had precedence over the decrees of our Township supervisor. It seems this was the sixth attempt by the Ambulance Corps volunteers to obtain changes in "work rules" dictated by the sovereignty of our supervisor. Finally after an hour or so of haranguing some modification of the "dictatorial" work rules were agreed upon.

Then the fireworks. The taxpayer couldn't utter a question or challenge without interruption. Facts were obscured by interruptions by the supervisor. Admittance to any error or two in the "new" budget came grudgingly. Oh yes, the "new" budget reflected past year expenditures. Not a word was heard from the plant board representing us. At one point, the Township supervisor asked why I picked on the Township for I had not been seen at County or School board meetings. Then he told the enraptured audience "Ben Butts is a nice guy - he smiles at you while he puts a knife in your back". Wow!!

The real blow was when "our leader" accused a group of us unhappy taxpayers of wanting to use "free" Youth Corps personnel to rehabilitate a stretch of the Manistee river. He said, even if we taxpayers paid three times the value of the labor for materials, it wasn't right to complain about taxes and take "free" State (?) labor. Our "leader" did later phone the resentful taxpayer, to apologize. But the rash words of our supervisor will be remembered.

Well, all things come to an end. Once again the voice of the taxpayer went unheard. The oligarchic clique, our Township board and supervisor voted to increase taxes and live with a big wonderful budget.

Very truly yours,
Benjamin F. Butts

Crawford Co. Avalanche

"Chum" and I send warm greetings to all of you...we miss you and think of you often.

Fortunately, we are able to keep abreast of Grayling and Crawford County through the pages of the Avalanche. So much is happening there, and we do hope that sometime in the next year we will be able to get back there to check it out first-hand...

In the meantime, keep the Avalanche coming to the address on the enclosed subscription renewal.

Chum is swimming every day...he has some good and bad days, but manages to spend some time at our recreation club. Our roles are reversed inasmuch as he keeps the homefront in order, as much as he is able.

My business is going well and I still play as much golf as possible. I also take an active part in my community...just as we did up in Grayling. See the enclosed... "Hello" to Grayling and Crawford County from US...

Warmest regards,

Marilyn G. Longworth

Announce Engagement

Mr. and Mrs. Joseph W. Zimmerman Sr. of Luzerne would like to announce the engagement of their daughter, April M. Zimmerman to Philip J. Weiler, son of Mr. and Mrs. Philip R. Weiler of Roscommon.

An October 19, 1985 wedding is planned.

Par For The Course

It was a perfect morning for golf; the greens had already dried off and were very fast. Mabel Gothro took advantage of it and came in with a 44, net of 29 and Clara Beaufait came in with 12 putts. Also in flight A, Clara chipped in on # 1 and Donna Pottorff chipped in on #3. Rose Crawford had a low of 53 while Melita Taylor had net of 36. She also tied with Marty Nowak for 15 putts each while Marti chipped in on #3 for the flight B women. In C, Jean Raab took all three, low of 55, net of 35 and tied with Elsie Jansen for 16 putts.

The business meeting was conducted by President Barb Nielson with much discussion on the upcoming Gaylord Day on Wednesday, July 24. Also, the women voted to go for winter rules only on Wednesday.

Flight A served a delicious potluck luncheon with casseroles, salads and desserts.

Madsen Named State's Class 'C' Coach of the Year

Rogers City Huron Baseball Coach Howard Madsen recently received notification that he was named the state's Class C Coach of the Year.

Madsen, who led the Hurons to a 25-3 record for the season, was selected for the honor by the All-State Selection Committee of the Michigan Baseball Coaches Association.

Madsen was also named district coach and regional coach of the year.

Madsen began coaching the Huron baseball team in 1982 and ended with a 12-12 record. In 1983 the Hurons were 27-4 and ended the year as state finalists. It was 21-11 in 1984 with the Hurons' season ending in the regionals.

In 1985 the Hurons had a 25-3 record and a shot at the

state finals. Madsen's four-year record is 85 wins and 30 losses.

The Huron coach attributes the team's success to "a lot of hard work by the kids in the community."

Madsen continued, "I can't give enough credit to the Rogers City Little League, Inc., the parents and coaches. It is a great program (Little League), they're doing an excellent job and the town takes pride in it."

He also gave a lot of credit to the Presque Isle County Men's Baseball League where 15- to 18-year-olds have the opportunity to play ball and experience some good coaching.

Out of the 16 members on this year's squad, 14 of them have been involved in the Little League program and the other two play for the men's county league.

Madsen added, "By the time these kids are in high school baseball they are aware of the pressures of the game, they have been involved in tournaments and they know what they have to do to win a tournament. Of the 16 (Huron) team members, all of them are now either playing in the senior division of Little League or are on the men's county league. I believe that as long as our Little League program remains strong so will our high school baseball program."

A former East Lansing High School business course teacher, Madsen moved to Rogers City six years ago where he began Madsen Construction Co.

In addition to coaching baseball, he is also the

Grayling Baptist Church To Hold Bible Classes

Grayling Baptist Church will be holding vacation Bible School and revival services at 501 Michigan Avenue, which will be their future home. Classes will be offered for pre-school through adult beginning July 29 through August 2, 9:00 a.m. - 12 Noon Daily.

Sunday night, July 28 is the beginning of revival services also being held at 501 Michigan Avenue. Revival services will be held at 7 p.m. every night through Thursday, August 1. Following is the schedule of revival night emphasis:

Sun., July 28 - Welcome Neighbor Night!

Mon., July 29 - Children's Night.

Tues., July 30 - Gospel Family Film Night, film "Never Ashamed".

Wed., July 31 - Testimony Night.

Thurs., Aug. 1 - Youth Night - pictures - Multi-Media presentation "Grayling, Jesus Loves You".

Grayling Baptist Church is happy to have their sister church, Byne Memorial Baptist Church, from Albany, Georgia, come up and conduct the VBS and revival services. They are bringing a group of over 50 people consisting of singers, puppeteers, a drama team, and a multi-media team.

We appreciate their love for Jesus and willingness to come so far and share their time and talents in the ministry of Grayling Baptist Church. The community is cordially invited and encouraged to join us.

Chamber Chatter

This has been an extremely busy week for us at the Chamber. Here are some of the events we are working on. Milltown (of course) and the AuSable Marathon. The Sesqua Centennial celebration for the State. The Ohio Officers and N.C.O. reception. The winter and spring Fine Arts Festival, (something new from the Chamber). A slide presentation for our office visitors. The reactivation of the Chamber's Lodging Committee. A Chamber membership drive. A Chamber golf day. The Riverboat Regatta. The Grayling Float. A day with the Gaylord/Otsego Chamber Director. A day with the State Chamber, concerning industrial development. About fifty contacts with the Press concerning all of the above. Other than that there's nothing much going on here, we'll see you next week.

CHURCH DIRECTORY

Along The Trail

Novices tend to follow the path, especially when it is straight and narrow. But even with experienced riders there can be unexpected turns, and it's possible to get lost.

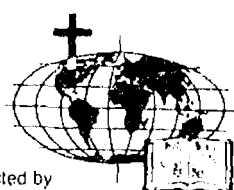

In life there are very few straight paths. It is extremely easy to come upon an unexpected turn, and to encounter doubt, confusion, even despair.

Horseback riding is not compulsory. But you do have a life — and you have to live it. The way is up to you. If we get lost, we can give up, but with the help of the Church, you will find a trustworthy guide which will renew your faith and clear the way to the path of eternal fulfillment.

Seat Belt Law Helping

State Police credit the new seat belt law with helping to keep the number of fatalities down over the 102 hour holiday weekend. Fourteen people lost their lives on Michigan highways as compared to 22 fatalities during the last long Fourth of July holiday in 1978. This was the first holiday with the seat belt law in effect.

Of the 14 fatalities, seven did not have seat belts available, four did not wear them, and three who wore belts were involved in non-survivable accidents. Col. Gerald L. Hough, department director, said the message is clear, "seat belts do save lives." But Hough stressed the fact that alcohol involvement continues to be a key factor in fatal accidents. Drinking was involved in five, unknown in four, and ruled out in three of the 12 fatal accidents.

Increased citizen awareness generated by Operation Care activity along with safety breaks staffed by volunteer groups at 35 rest areas also contributed to the lower fatality count, Hough said.

During the first week of enforcement of the new law, 631 tickets and 1205 warnings were issued.

THOUGHT FOR FOOD

by GOULD CROOK

Fillet of Sole Choron

- 1 pkg. (7/8 oz.) Knorr Bearnaise Sauce Mix
- 9 tbsp. butter, divided
- 1 cup cold milk
- 2 tbsp. tomato paste
- 1 tbsp. corn oil
- 1 1/2 lb. sole fillets, cut in serving-size pieces

Prepare Bearnaise Sauce according to package directions. With wire whisk, stir in tomato paste until blended. In medium skillet, heat remaining 1 tablespoon butter and corn oil over medium-high heat. Add fish, a few pieces at a time. Cook, turning once, 3 to 4 minutes or until fish flakes easily. Serve with Choron Sauce. Makes 6 servings.
